**R9-6-802. Notice of Test Results**

- A.** Within 10 working days after the date of receipt of a laboratory report for a test ordered by a health care provider as a result of a court order issued under A.R.S. § 13-1210, the ordering health care provider shall:
1. If the test is conducted on the blood of a court-ordered subject who is incarcerated or detained:
    - a. Provide a written copy of the laboratory report to the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained; and
    - b. Notify the occupational health provider in writing of the results of the test; and
  2. If the test is conducted on the blood of a court-ordered subject who is not incarcerated or detained:
    - a. Unless the court-ordered subject is deceased, notify the court-ordered subject as specified in subsection (D);

- b. If requested by the court-ordered subject, provide a written copy of the laboratory report to the court-ordered subject; and
  - c. Notify the occupational health provider in writing of the results of the test.
- B. Within five working days after the date of receipt of a laboratory report for a court-ordered subject who is incarcerated or detained, the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained shall:
  - 1. Notify the court-ordered subject as specified in subsection (D);
  - 2. If requested by the court-ordered subject, provide a written copy of the laboratory report to the court-ordered subject; and
  - 3. Notify the officer in charge of the correctional facility as specified in subsection (E).
- C. Within five working days after an occupational health provider receives written notice of test results as required in subsection (A), the occupational health provider shall notify:
  - 1. The named public safety employee or volunteer or named Arizona State Hospital employee as specified in subsection (D); and
  - 2. The employer as specified in subsection (E).
- D. An individual who provides notice to a court-ordered subject, ~~or~~ named public safety employee or volunteer, or named Arizona State Hospital employee as required under subsection (A), (B), or (C) shall describe the test results and provide or arrange for the court-ordered subject, ~~or~~ named public safety employee or volunteer, or named Arizona State Hospital employee to receive the following information about each agent for which the court-ordered subject was tested:
  - 1. A description of the disease or syndrome caused by the agent, including its symptoms;
  - 2. A description of how the agent is transmitted to others;
  - 3. The average window period for the agent;
  - 4. An explanation that a negative test result does not rule out infection and that retesting for the agent after the average window period has passed is necessary to rule out infection;
  - 5. Measures to reduce the likelihood of transmitting the agent to others and that it is necessary to continue the measures until a negative test result is obtained after the average window period has passed or until an infection, if detected, is eliminated;
  - 6. That it is necessary to notify others that they may be or may have been exposed to the agent by the individual receiving notice;
  - 7. The availability of assistance from local health agencies or other resources; and
  - 8. The confidential nature of the court-ordered subject's test results.
- E. An individual who provides notice to the officer in charge of a correctional facility, as required under subsection (B), or to an employer, as required under subsection (C), shall describe the test

results and provide or arrange for the officer in charge of the facility or the employer to receive the following information about each agent for which a court-ordered subject's test results indicate the presence of infection:

1. A description of the disease or syndrome caused by the agent, including its symptoms;
  2. A description of how the agent is transmitted to others;
  3. Measures to reduce the likelihood of transmitting the agent to others;
  4. The availability of assistance from local health agencies or other resources; and
  5. The confidential nature of the court-ordered subject's test results.
- F.** An individual who provides notice under this Section shall not provide a copy of the laboratory report to anyone other than the court-ordered subject and, if the court-ordered subject is incarcerated or detained, the chief medical officer of the correctional facility in which the court-ordered subject is incarcerated or detained.
- G.** An individual who provides notice under this Section shall protect the confidentiality of the court-ordered subject's personal identifying information and test results.
- H.** A health care provider who orders a test on the blood of a court-ordered subject who is not incarcerated or detained may, at the time the court-ordered subject is seen by the ordering health care provider, present the court-ordered subject with a telephone number and instruct the court-ordered subject to contact the ordering health care provider after a stated period of time for notification of the test results.
- I.** A health care provider who orders a test has not satisfied the obligation of the health care provider to notify under subsection (A) if:
1. The health care provider provides a telephone number and instructions, as allowed by subsection (H), for a court-ordered subject to contact the ordering health care provider and receive the information specified in subsection (D); and
  2. The court-ordered subject does not contact the ordering health care provider.
- J.** A health care provider who orders a test on a court-ordered subject's blood shall comply with all applicable reporting requirements contained in this Chapter.
